

Tow-A-Tarp **Turf Wicket** **Cover Transporter**

Mentay's innovative Tow A Tarp is more than a covers transporter it protects your staff and your sporting grounds. It takes the hard work out of moving your ground protection covers.

We have two handy models. The 3.6 metre and 5 metre units. Also available is our Handi Cart. You also need to consider removing the water build up prior to loading by using the Mentay Aqua Wizz.

Mentay's Tow A Tarp with a full cover capacity does the job quickly and efficiently. Fitted with

wide flotation tyres to assist over wet turf the unit can be towed with a vehicle or manoeuvred by hand and Tow A Tarp will comfortably travel through most oval gateways.

Our drum will store sufficient tarp to cover the centre square of any oval folded four times 28m x 10.7m. Rewind wheels are fitted to cover drum for rapid tarp rewind. In addition these wheels are fitted on each roller ends to allow one or more operators. For the quick cover up nothing beats the clock like the Mentay Tow A Tarp.

The logo for Mentay, featuring a stylized yellow and black graphic of three vertical bars of varying heights on the left, followed by the word "MENTAY" in a bold, white, sans-serif font on a black background.
