

COVERS TROLLEY

Features

- 2000mmx1200mm deck and ramp for loading ease
- Fully galvanized frame and floor to avoid corrosion
- Jarret 5:1 ratio hand winch with 50mm polyester webbing eliminates damage to covers
- Polyurethane filled tires mounted on 1" solid axle
- 2 drawbars supplied so the unit can be towed or hand manoeuvred
- 400mm turntable for the maximum turning circle to help with moving the unit around
- The Mentay Covers Trolley is small enough to store away
- Total weight is 171kg
